UNIFOR EDUCATION:

I had the pleasure of being selected to attend the Family Education Course in Port Elgin, Ontario, together with my family, and it was truly one of the best experiences we have ever had. I can honestly say that even an all-inclusive vacation could not compare to what the union provided for its members and their families.

Although our classes ran from 9:00 a.m. to 4:00 p.m., they were very interactive, engaging, and full of valuable information about our union, how it works, and how we as members can become more involved. One of my favourite parts was seeing how engaged my husband became. Even though English is not his first language, he was using a translator, doing his own research, and giving me ideas to share during our group activities. That showed me just how welcoming and engaging the program was.

The experience outside the classroom was just as amazing. There were family activities, carnival games, bingo, barbecues, swimming, and time to enjoy the beautiful beach. The children also had an opportunity to learn important skills such as negotiating, working together, and creating agreements—all while having a great time.

We came home with wonderful memories, new knowledge, and a stronger appreciation for our union and the opportunities it provides to families. If any member has the opportunity to attend the Family Education Course in Port Elgin, I would 100% recommend it. It was an unforgettable experience for our entire family!

Création de la liste d'envoi chez Francosud

Nous cherchons toujours à joindre l'ensemble du personnel concerné. Selon les données du Conseil, le groupe du personnel de soutien devrait compter plus de 90 personnes, alors que seulement 70 sont actuellement inscrites à notre liste. Merci de passer le mot dans vos milieux de travail. Les aides-élèves, secrétaires, réceptionnistes et agents des carrefours d'apprentissages sont admissibles, selon leur statut d'emploi.

Merci pour votre collaboration,

Cordialement,

Jinny Provencher
