# Attention Local 111 Members

## COVID-19 UPDATE

Dear Sisters & Brothers,

Balbir Mann and Ray Beattie met with the Company in regards to the safety concerns our members have brought forward.

They include, but are not limited to:

1. Passenger limits and how it relates to social distancing parameters set out by Health BC
2. Designated washroom facilities at businesses that are now closed, or restricted access
3. Securing wheelchairs, scooters, and strollers, and how that relates to social distancing.

We have been told that all of these concerns are being addressed at the highest urgency. We are speaking with the Company daily to ensure this action plan is put into place as quickly as possible.

We have heard from many of our Shuttle Operators, and rest assured, you have not been forgotten. Please keep doing what you are doing to keep yourself safe. Please continue to keep yourself informed with the latest information provided by Unifor, CMBC, and health professionals.

Should you have any further questions in the meantime, please feel free to contact us. We are here for you.

In Solidarity,
